Reducing Early School Leaving by Increasing Academic Achievement Applications in Storytelling Techniques

2022-1-TR01-KA220-SCH-000087898

Objective

The Digital Stories project aims to reduce early school leaving by supporting the teachers professionally with the students' learning difficulties by using digital techniques based on a multi-sensory learning model and storytelling technique.

By making the educational environment more attractive, students who drop out of school due to this anxiety and negative attitude make peace with the educational environment again.
